"Draft project "Refugees and internally displaced people in Azerbaijan, Armenia and Georgia" by Boris Chilevich meets Azerbaijan's interests in general, Samad Seyidov, the Head of the Azerbaijani delegation to PACE.

"It is difficult to seek development of the document reflecting the positions of the country unambiguously," Seyidov said. He noted the representatives of Azerbaijan would come out with proposals on some changes to the document, but it may be called normal in general.

As to Latvian rapporteur Boris Chilevich, Seyidov highly appreciated his activities and noted the rapporteur repeatedly arrive in the region to study the situation in the local level.

"Despite necessity of some changes, the report reflects realities and Azerbaijani MPs will take active part in the injection of changes on Friday," Seyidov concluded.

Report by Chilevich was the last item on the agenda of the final day of the PACE spring session in Strasburg, Trend reports.
